Take A Peek Boutique (Company) offers elective 2D, 3D, 4D & HD prenatal ultrasound for an entertainment keepsake and to provide a positive bonding experience for mother, family members, and friends with the unborn child. This entertainment ultrasound, session will not provide any assumptions, diagnosis, or medical input of any kind and is not intended to take the place of a diagnostic ultrasound or any other medical procedure(s) recommended by your physician or health care provider.

I acknowledge the following:

- I am under the care of a physician or health care provider for the medical diagnosis, input, and recommendations relating to my pregnancy.
- I certify I am obtaining this 2D, 3D, 4D, HD ultrasound for entertainment only and I am not obtaining this ultrasound as a replacement for, or in lieu of, standard medical care.
- I have undergone a medical diagnostic ultrasound prescribed by my health care provider in regards to this pregnancy. My health care provider ultimately will confirm my due date, screen for fetal abnormalities, and/or any abnormalities related to my pregnancy.

As a condition of receiving an entertainment ultrasound from Take A Peek Boutique, I hereby acknowledge, understand, and agree to the following statements:

- This ultrasound is an elective, non-medical procedure that I have voluntarily requested.
- I realize this ultrasound session is not intended to take the place of a diagnostic ultrasound or any other tests or treatments that have been or maybe recommended by my healthcare provider.
- The technician performing the ultrasound is not a doctor, and cannot interpret diagnostic medical conditions, or otherwise offer medical conclusions regarding the images. The ultrasound session(s) is intended for entertainment purposes only to view fetal movements. The technician will not attempt to provide a medically inclusive ultrasound or confirm fetal well-being.
- I understand I am responsible for contacting my healthcare provider if any questions arise concerning any issues relating to this ultrasound session or any aspect of my pregnancy. Take A Peek Boutique has my permission to video tape and photograph my baby and me and has full editing rights to the media.
- I hereby agree to allow Take A peek Boutique, its agents and employees the use of photos, videos, 3D/4D/HD movie in whole or in part, such media may be published, reproduced, exhibited, and copyrighted. - I further realize providing any written feedback/testimonial allows Take A Peek Boutique authorization for its use in marketing.
- I realize Take A Peek Boutique may use my email for their marketing. I realize and understand the quality of my ultrasound images depend upon many factors including body content, fluid levels, developmental stage and fetal position. I understand, Take A Peek Boutique, does not guarantee the quality of the images or the ability to visualize any characteristics of the fetus. Take A Peek Boutique will do everything reasonable to optimize the baby's position in the timeframe allotted in the package I selected. If a rescan is warranted, I understand I get one additional rescan at no charge, if I request additional scans, a fee of the full price of the original package purchased will be required and charged to me at time of service. All sales are final and refunds are not granted for any services rendered.

- I further understand that factors beyond Take A Peek Boutique control may also affect the ability to accurately determine the gender of the fetus, and that there is no warranty or guarantee as to the accuracy of any such determination.
- I further understand that while ultrasound is believed to have no harmful effects on the mother or the fetus, further research or other information may disclose harmful or adverse effects that are presently unknown. - In addition, I agree to release and hold harmless the released parties from any and all claims or causes of action for injury, harm, loss, damage, or other liability which results from, or are alleged to result from, the failure of the released parties to accurately determine fetal gender or any other characteristics of the fetus. I will indemnify Take A Peek Boutique with respect to any complaint and will agree to arbitration in the state of California if any disagreements occur. **Re-scan Policy**
- Unfortunately, not every ultrasound session produces textbook perfect images. However, using the best technology available and experienced sonographer, we do our best for every client to obtain the very best images possible!!! The quality of your images are determined by many factors and are outside of our control, some key factors are the position of the baby, tissue density, and amniotic fluid levels. For these reasons we do provide a \$50 rescan session for several of our packages if we are unable to complete your package that day. Please understand that it is our goal to try and complete your package the same day and give you a great experience with memorable pictures to take home, if a rescan is warranted, the fee is solely for the extra time we have set aside for you and baby. _____ **Initials**
